

usbirdfeeders.com

Description:

The best site for ALL AMERICAN MADE bird feeders and bird houses. Invite all types of birds to your yard with our great selection of decorative bird feeders including covered platform, pole, hanging, window and DUNCRAFT squirrel proof bird feeders.

We take great pride in offering top quality products that help keep Americans working as well as helping the economy here in the USA.

Our vast selection of wild bird feeders, wild bird houses and squirrel proof bird feeders makes for one stop shopping. Consider our unique, all-natural edible birdhouses - churches, log cabins, lighthouses and many more distinct styles to choose from. These amazing birdhouses can be used for indoor decoration or outdoor use.

Just imagine the symphony you can create in your yard by attracting a variety of song birds. Several bird feeders with an assortment of seeds will ensure a constant supply of diverse species singing their own special songs.
