

## **La Bloomingchic**

### Description:

La Bloomingchic made its budding appearance in several department stores in the year 2000, celebrating the new millennium with a spring shower of fresh looks and cool summer comfort.

Now, La Bloomingchic houses its stunning collection in boutiques at Delfi Orchard, Singapore, and four prestigious locations in Jakarta.

Its largest store in South Jakarta situated in Indonesia's colonial-style shopping icon, Darmawangsa City Walk, attracts many local celebrities and boasts a state-of-the-art interior design and ergonomics. Relish 135 square meters of sheer fashion indulgence and savvy retail therapists who are clued in on how you look and feel fabulous.

A Singapore homegrown brand; our stores offer a sensational shopping experience and dynamic collection of sleek separates and elegant cocktail dresses and gowns.

Our fashionable maternity creations are inspired by the hip and happening woman who wants it all. You expect only exceptional quality.
