

NH Milk & Honey Bun Drops

Description:

"Heavenly Products For Your Little Angel"

Add a little love to your cloth wipes!

Our concentrated wipes solution is gentle and soothing for delicate skin. Made with all-natural goats milk, known for its high protein and triglyceride content making it an excellent natural moisturizer, and pure NH honey (produced by our own family's bees) for its anti-bacterial qualities which keep your wipes smelling sweet and germ-free! Both milk and honey possess antimicrobial and cleansing properties which are enhanced when the two are combined! Also contains pure aloe and oatmeal which soothes and relieves itch and irritation, and glycerin soap for gentle cleansing. Hypo-allergenic. Coconut oil base.

USA made!

Contains no added fragrance or tee-tree oil, (so you are left with just the natural, sweet smell of milk & honey).

THIS PRODUCT IS NOT TESTED ON ANIMALS.
